UI/UX Focus: Responsive Design, **Localization (i18n)**, Accessibility (a11y), Performance Optimization, SEO

Workflow & Testing: Git/GitHub, Agile/Scrum, Code Review, Documentation, Testing (Jest)

Deployment & Cloud: Vercel, Netlify, Render, Supabase

Languages: Arabic (Native), English (Professional Working Proficiency)

Professional Experience

Vconnct

Frontend Developer (Remote)

07/2024 – Present

Cairo, Egypt

- Developing reusable React.js/TypeScript components for an AI-powered communication platform.
- Improved performance by 30% through code splitting, lazy loading, and optimized state management.
- Collaborating across Agile teams for sprints, stand-ups, and peer code reviews via remote workflows.

Crettiva

Frontend Developer (Remote / Part-time)

01/2025 – 12/2025

Riyadh, Saudi Arabia

- Delivered scalable frontends for Saudi-based enterprises, ensuring full RTL support and localized UX standards.
- Collaborated with stakeholders in Riyadh to translate business requirements into high-performance React applications.
- Optimized web performance and ensured high-quality UI/UX standards for localized projects.

Information Technology Institute (ITI)

Full Stack Developer Intern

06/2023 – 08/2023

Cairo, Egypt

- Developed a blog app with authentication and post management using PHP/MySQL.
- Implemented mobile-responsive design and clean user interface.

Key Projects

Cozy Loops Store [🔗](#)

- Modern single-vendor e-commerce app featuring secure payments and responsive UI.
- **Tech Stack:** Next.js, TypeScript, Express.js, Stripe API, MongoDB

Real-Time Chat App [🔗](#)

- Built a real-time chat application from scratch supporting individual and group messaging with live updates.
- Implemented secure authentication and a simple responsive UI for seamless user experience.
- **Tech Stack:** Next.js, Node.js, MongoDB, Socket.io, Tailwind CSS

3lagent Store (Multi-vendor Platform) [🔗](#)

- Full-stack e-commerce platform with dedicated dashboards for sellers and admin management.
- **Tech Stack:** Express.js, React, Node.js, Zustand, Stripe API, MongoDB

Education

Modern University for Technology and Information

Bachelor's Degree in Computer Science

2020 – 2024

Cairo, Egypt

- Recognized for Excellence in Final-Year Project.

Professional Development & Certifications

Digital Egypt Pioneers Initiative (DEPI) - MERN Stack Diploma (2024)

InnovEgypt Program - TIEC (2024)

ITI Full Stack Developer - Ministry of Communications (2023)

Zewail City AI Training (2023)
